Dispute Resolution

The Dispute Resolution Team at Mayo Wynne Baxter is an experienced group of litigation specialists acting for both Commercial and Private Clients in a wide range of disputes including those relating to commercial law, property, debt and negligence. The team also incorporates the firm's specialist insurance litigation, professional negligence and mediation groups. Based at offices across Sussex, Kent and Surrey, our team of experts provide clients with effective, practical advice and are happy to meet clients at other locations.

Resolving Commercial and Civil Disputes

Our expertise in resolving civil and commercial disputes will assist you in understanding court procedures or other dispute resolution proceedings which may be required. We provide advice in relation to most types of dispute including:

Commercial Disputes

Disputes between businesses and between businesses and individuals are a potential risk in every commercial transaction. We have particular expertise in disputes relating to companies, partnerships and shareholders and in commercial debt recovery. Whether it's customers who won't pay, the meaning of a business term, delays in delivery or complaints about product quality we can advise on all your commercial dispute problems.

Property Disputes

Our team can assist you with a wide range of property related disputes. We have long experience in commercial and residential possession actions involving leases, mortgages, licenses and squatters, disrepair actions and complex lease renewals. We also handle disputes relating to forfeiture, leasehold service charges, leasehold enfranchisement, disrepair claims and disputes over the ownership of land and property. As well as providing advice to our clients we hold regular seminars for Property and Letting Agents on changes in the law.

Professional Negligence

Our professional negligence solicitors specialise in cases involving negligence by solicitors, barristers and accountants, financial service providers and financial advisors. We regularly act in disputes involving property professionals (architects, surveyors, engineers and valuers), and have a number of lawyers who are property specialists.

Construction/building Disputes

We act for building companies, large businesses involved in complex building projects and individuals. We will identify at an early stage the essential elements of the dispute and advise you on the best and most cost effective way of resolving it.

Quality of service

Mayo Wynne Baxter is one of only a few firms in the South East to have achieved the prestigious Lexcel award. The Quality Assurance Standard is granted to legal practices and legal departments that have consistently implemented the Law Society's Practice Management Standards and delivered a high quality service to their clients.

We were also one of the first law firms in the South East to gain the Investors in People Award, which recognises our major commitment to staff development and professional training.
